Dear PCA families, staff, alumni and friends,

Praise the Lord. We thank Him for providing people who have contributed sufficient funding to build the High School at 245 Renfrew. We have the High School confirmed at its new home for the 2011/2012 school year. There is also a strong sentiment to relocate the Elementary School to Renfrew as quickly as possible. We have developed a building plan that can get both schools there sooner. With this updated plan, just another \$1.3MM will enable us to relocate the Elementary School to Renfrew too.

We thank God for continuing to open doors for us. The board would like to thank all of you who have been praying fervently for the school. Be encouraged that our gracious Lord has answered your prayers. Thank you for all the support, ideas and suggestions. Keep bringing them forward.

Let us continue to put our faith into action. We are not stopping here. By our Lord's assistance and leadership and your participation, we will continue to raise funds until the entire school is relocated. If we all work together, we can have the entire family of PCA students reunited at Renfrew in the coming year.

“Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.” Philippians 4:6-7
